

New Regional Director, Northern Ireland, Opportunity

There is a vacancy for the role of Regional Director (RD) for the new Northern Ireland Region of CAMRA. The election will take place on Saturday 6th April 2024.

An independent election administrator from outside the new region has been appointed to manage the election process.

This is a volunteer opportunity, and the RD Role Description can be downloaded [here](#), along with the [Nomination Form](#) on this page (scroll down to the NI section to download the form).

Anyone interested in applying is asked to send their nomination (an indication that they are willing to stand with the signature of a proposer and seconder who are CAMRA members from different branches) to the administrator, Stuart McMahon at rd.scotlandni@camra.org.uk along with a short biography outlining their suitability for the role. Nominations should be submitted to the administrator by no later than Saturday 24 February 2024.

Once the nomination period has closed, a list of candidates and their biographies will be forwarded to the branches.

Each branch will have one vote.

For further information about the role of Regional Directors, please contact Nick Bosley, Chair of Branches Committee (rd.merseysidecheshire@camra.org.uk).
